Foreword

As surely as the sun rises each morning, we can be challenged to appreciate this day to the fullest. It is a new day, not only to enjoy, but a day in which we are to grow, to act, to live. "For yesterday is but a dream, and tomorrow is only a vision; But today well-lived makes every yesterday a dream of happiness, and every tomorrow a vision of hope."

We present this book to you with the wish that each day's sunrise will represent for you **A NEW BEGINNING**.

Mr. Jim Lancaster joined us as our principal this year, after fifteen years as assistant principal at Jonesboro Senior High School.

His days as a high school student were spent at Lyman Hall High School in Hall County. He received his bachelor's degree from Mercer University and his master's degree in English and School Administration, as well as Educational Specialist degree, from the University of Georgia. His teaching experience includes four years in Hall County and five years in Fayette County, followed by his work in Jonesboro.

Mr. Lancaster's reputation for hard work came with him to our school, and we have seen many positive changes at North Clayton since he arrived. He feels the faculty, students, and parents have made this **NEW BEGINNING** possible and, with their continued help, sees an unlimited future for North Clayton.

It's A New Year For Seniors, Juniors, and Sophomores . . .

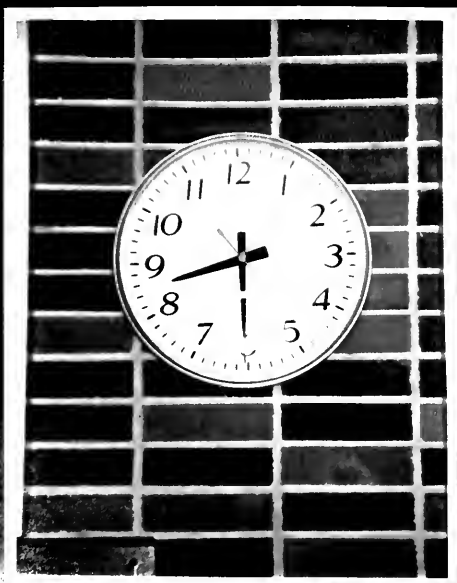

... A new year for learning, for sharing, for changing, for working, for playing, for new experiences.

A New Look For NCSH

When students entered school in August they found new floors, replaced ceilings, and lockers with a fresh coat of paint. The decorative features add a touch of class to the hallway.

With the new schedule, classes begin at 8:30. No sleeping through first period!

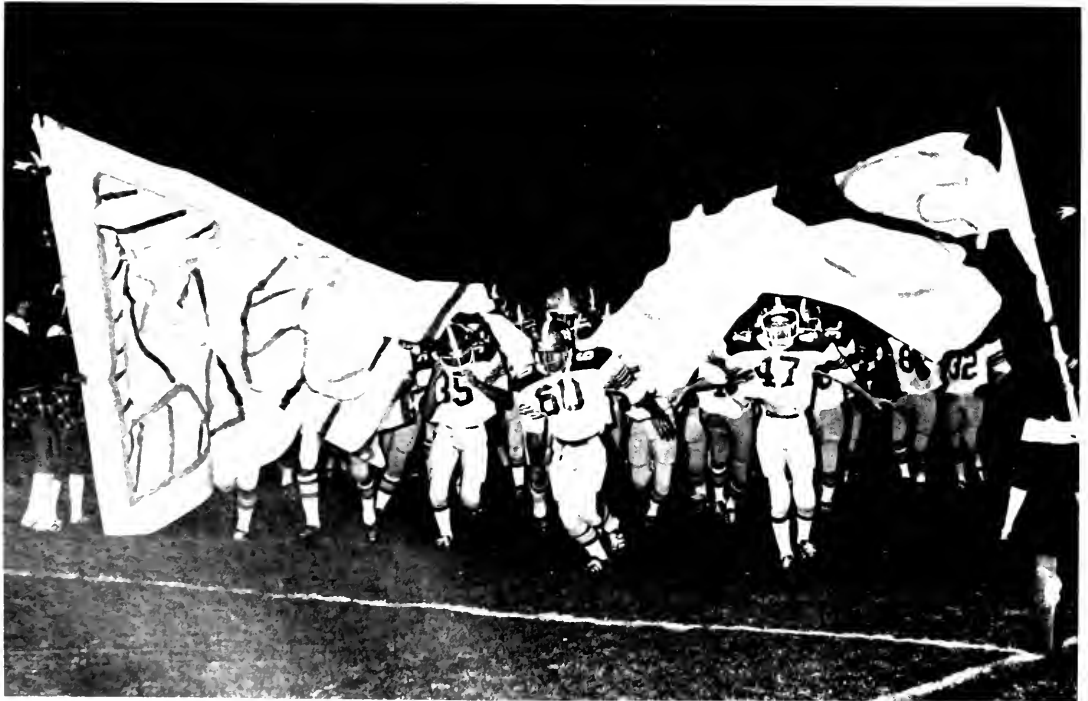

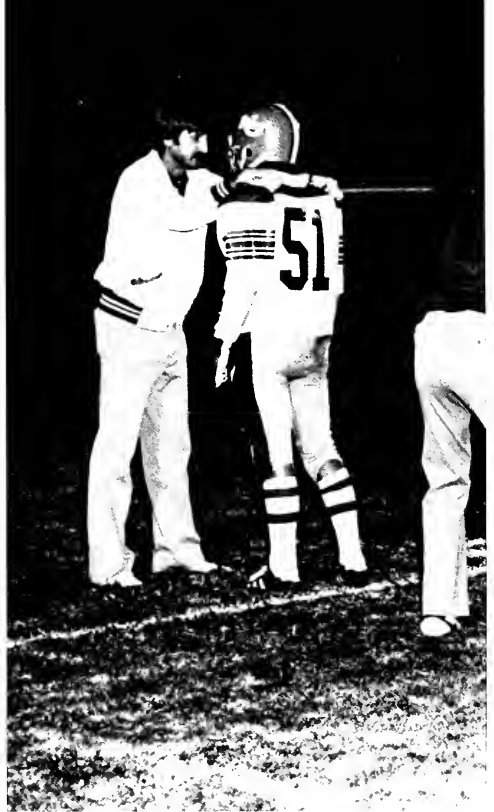

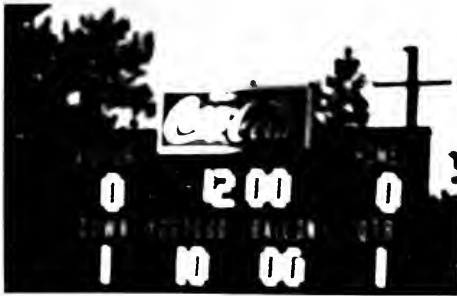

New equipment, such as the computer and weight room enhance the school program.

The gym takes on a new look with the summer renovations.

It's A Whole New Ballgame

Each year represents a new season and a fresh start for the football team. This was especially true for our team this year under the leadership of Coach Burton and his new staff. GO EAGLES!

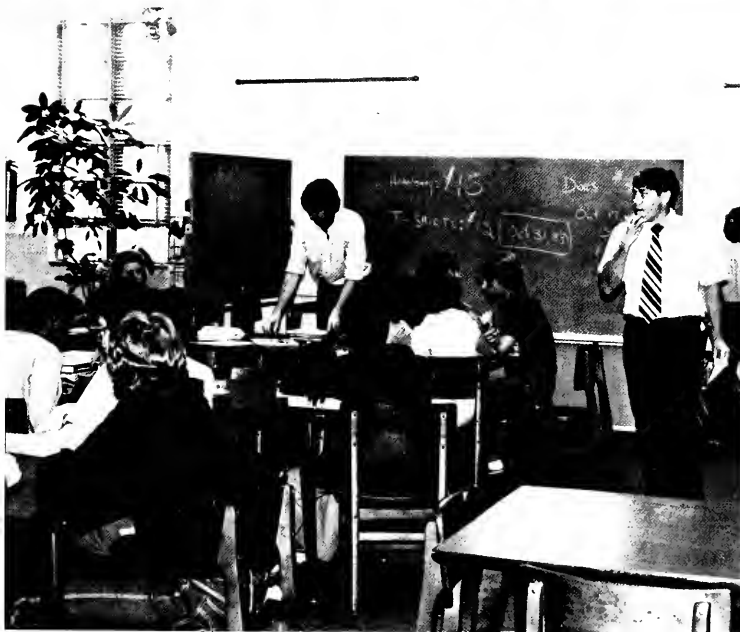

New Opportunities

Above, left. Mr. Rabold is one of sixteen new teachers for the 1981-82 school year. Welcome aboard!

Above. Mr. Davis points out the area for the new amphitheater. A novel idea for NCSH.

Left. The Social Studies Club meets during the day under the new club schedule.

Dedication

Occasionally we meet someone who looks for the best in us and never fails to find it—someone who is always willing to give his assistance and encouragement.

The recipient of the dedication this year is an able leader who has demonstrated a continuing interest in the student body. We have grown and matured because of his confidence in us.

We proudly dedicate the 1982 Eagle to Mr. Charlie Brown.

To The Senior Class of 1982

You are never given a dream . . .

without the power to make it come true.

If one advances confidently in the direction
of his dreams, and endeavors to live the
life which he has imagined, he will meet with
a success unexpected in common hours.

A New Chance

Finish every day and be done with it. You have done what you could. Some blunders and some absurdities no doubt crept in; forget them as soon as you can. Tomorrow is a new day; begin it well and serenely with too high a spirit to be cumbered with your old nonsense. This day is all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on the yesterdays.

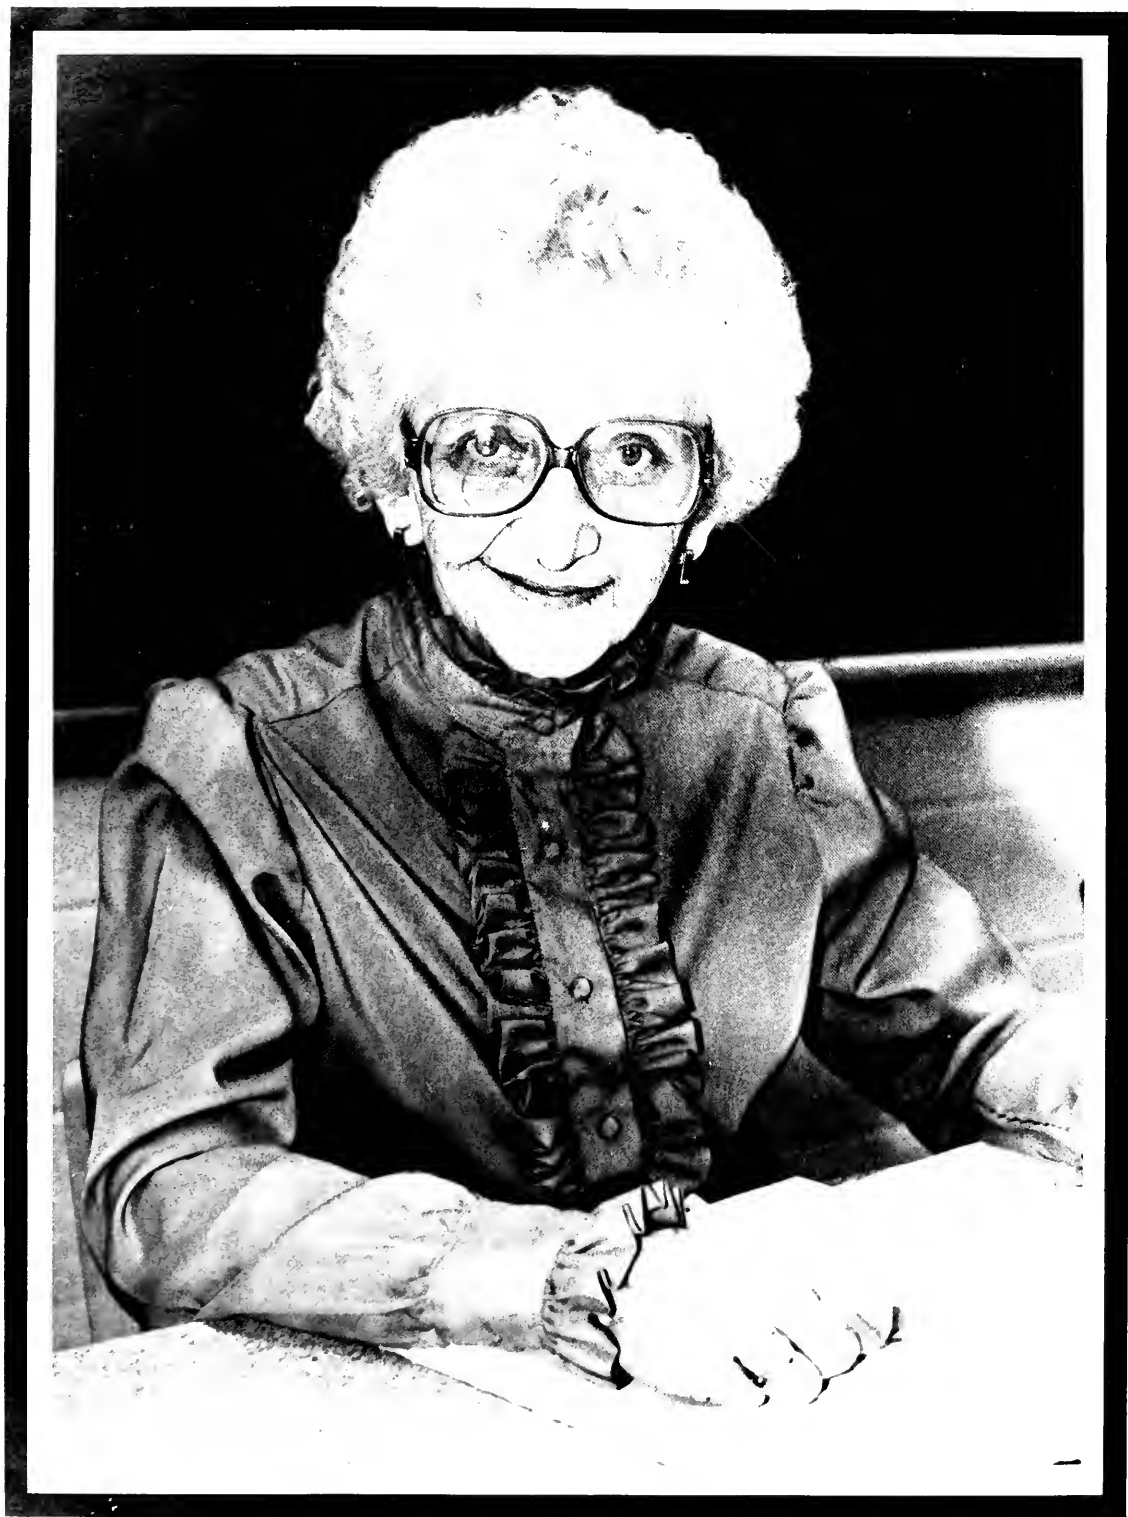

Ralph Waldo Emerson

A New Beginning For Seniors

We are haunted by an ideal life, and it is because we have within us the beginning and the possibility of it.

Phillips Brooks

The goal of yesterday will be the starting point
of tomorrow.
